INVISATM
RETRACTABLE SCREEN SYSTEMS

*Enjoy The **Fresh Air***

Entry Doors • Double French Doors
Sliding Patio Doors • Windows

INVISA™ Retractable screens system performs the service of any other screened door or window. Except...when not in use, the screen smoothly retracts into a discreet housing to provide an open view, easy entry and longer screen life. What's more, when in use, the screen is almost invisible to the eye and is an excellent solar barrier.

Easy grasp handle

Features & Benefits

- Powder Coated extruded Aluminum for best durability & finish.
- High Impact, UV resistant nylon components.
- Easy operation and low maintenance.
- PVC-coated fiberglass mesh ensures visibility and ventilation.
- Extra deep tracks to resist billowing in windy conditions.
- Factory balanced roller tubes for smooth operation.
- Easy to grasp handle by users of all ages.
- Available "No Slam" speed reducer system.
- Installed only by authorized, factory-trained professionals.
- Lifetime warranty on all parts. (excluding screen mesh)

Choose Your Colour

Standard Colors:

Sandalwood

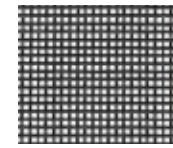

Brown

Custom Colours Also Available

Choose Your Screen Type

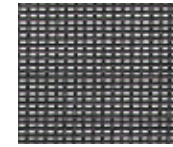

Standard Mesh
Strong stiffened fiberglass mesh

No-See-Um Mesh
The No-see-um Screen has tiny perforations that keep even the smallest airborne pests out.

Pet Mesh
Have a dog or cat? Both? If so, the Pet Screen is an excellent choice because of its scratch-resistance, breathability and sturdy construction.

Solar Mesh
The Solar Mesh reduces heat and glare by up to 65% and keep insects out. Solar mesh is perfect for keeping the interior spaces cooler when the screens are in use, and protecting your carpets, drapes, and furniture from fading.

Choose Your Screen Size

INVISA retractable screens come in a variety of sizes to fit virtually any application.

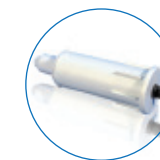

Please refer to the chart for maximum and minimum size dimensions.

<p>Single Doors Screen Heights are Screen Widths are</p>	<p>74" - 109" 28" - 56"</p>
<p>Double Doors Screen Heights are Screen Widths are</p>	<p>74" - 109" 60" - 108"</p>
